Description of Land Use Category:

Neighborhood Commercial includes less intense commercial uses with low-impact convenience, retail, or service functions. Examples of uses include convenience stores, small insurance or doctor’s offices, bakeries, small restaurants, bookstores, antique shops, copy services, veterinarian’s offices, or small, neighborhood sized grocery stores. Locations for Neighborhood Commercial include arterials and collectors where they meet arterials, other collectors, or residential streets. Description of Land Use Category:

Community Commercial provides for offices, professional services, and retail uses of moderate intensity and impact. Examples of uses include a grocery store, a medical office, music store, shoe store, nursery, or mailing

Community Commercial can serve as an appropriate buffer between low, medium, and high density residential uses, or between an arterial and low density residential.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Denial. Planning Commission (7-2) recommends Approval.

In 2009, the Eastern Triangle Community Plan was passed and was followed up in 2014 by a large area rezoning, intended to implement the land use goals agreed upon by the community in the 2009 plan. As such, the corridor is consistently “Neighborhood Commercial” uses and “C-1” zoning. As a result, the current land

use and zoning are appropriate.

Staff recommended that the applicant maintain the base “C-1” Light Commercial District and utilize a Conditional Use for the proposed Friendly Spot Bar/Tavern, but the applicant is seeking “C-2” Commercial District due to outdoor television screens. Outdoor noise is prohibited in “C-1.”

The requested plan amendment to “Community Commercial” and zoning change to “C-2” Commercial would be out of pattern with the implemented land use of the South WW White corridor, intended to bring low intensity uses and services directly next to single family neighborhoods.

ALTERNATIVES:

1. Recommend Approval of the proposed amendment to the Eastern Triangle Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
