SUBJECT:

Amendment to City Code of San Antonio, Chapter 14

SUMMARY:

An Ordinance amending Chapter 14 of the City Code, Solid Waste, to establish and add fees for the Pay As You Throw Solid Waste collection program to be implemented citywide.

BACKGROUND INFORMATION:

In 2013, City Council approved the Recycling and Resource Recovery Plan with the goal to divert 60% of single family residential waste from landfills by 2025. Programs such as Pay As You Throw (PAYT) and Organics Recycling are critical to achieve this goal. The FY2016 Proposed Budget includes the first phase of implementation for PAYT and Organics Recycling. This council action authorizes establishing and amending fees to the City Code of San Antonio, Chapter 14 to align with the upcoming PAYT Program.
