SUMMARY:

This ordinance authorizes a contract with Selrico Services, Inc. to provide custodial services for Department of Culture and Creative Development for La Villita and Market Square; Downtown Operations Department for Centro Information Center; and Parks and Recreation Department for Botanical Garden and San Antonio Garden Center for an estimated amount of \$690,000.00 annually through December 31, 2016, with two additional one-year renewal options. BACKGROUND INFORMATION:

Submitted for Council consideration and action is a proposal submitted by Selrico Services, Inc., to provide

custodial services to Department of Culture and Creative Development for La Villita and Market Square; Downtown Operations Department for Centro Information Center; and Parks and Recreation Department for Botanical Garden and San Antonio Garden Center. The custodial services and cleaning frequency are required to provide coverage during public service hours in order to maintain these facilities in a clean, attractive and orderly manner. The departments do not have the staff to perform janitorial services in-house since these services are currently outsourced.

The City issued a Request for Competitive Sealed Proposal (RFCSP) for “Custodial Services for La Villita, Market Square, Centro Information Center, Botanical Garden and San Antonio Garden Center” (RFCSP 6100003169) on July 26, 2013, with a submission deadline of August 28, 2013. Ten proposal responses were received. Four proposals were deemed non-responsive by the Economic Development Department due to respondents failure to meet the Small Business Economic Development Advocacy subcontracting requirement. Selrico Services, Inc. was selected, based on the City’s standard RFCSP process.

The selection team consisted of representatives from Department of Culture and Creative Development, Parks and Recreation, and Downtown Operations. The Finance Department, Purchasing Division assisted by ensuring compliance with City procurement policies and procedures. The proposals were evaluated based on the firm’s qualifications, experience, quality of service, previous performance, proposed plan and price schedule. Additional categories of consideration included references and financial qualifications.

The evaluation of each proposal response was based on a total of 100 points; 30 points allotted for experience, background, qualifications; 35 points allotted for proposed plan; and 20 points allotted for respondent’s price schedule. Fifteen preference points were allotted for the Small Business Economic Development Advocacy (SBEDA) Program, SBE Prime Contractor Program Affirmative Procurement Initiative.

The evaluation committee met on October 4, 2013 to evaluate the six responsive proposals received. After committee review and discussion, individual technical scores were submitted and the aggregate scores were presented. After a recommendation for award was agreed upon by the selection committee, the pricing scores and the SBEDA scores were revealed. Selrico Services, Inc. received the highest ranking and was recommended for award by the evaluation committee.

The initial term of the agreement shall be for a period of three years. Two additional one-year renewals at the City’s option shall also be authorized by this ordinance.
