Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair(sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the West/Southwest Sector Plan and is currently designated “Suburban Tier” and “Regional Center”. The applicant’s request is consistent with the existing commercial uses and surrounding residential uses. The request for a change to the West/Southwest Sector Plan from “Suburban Tier” and “Regional Center” to “Regional Center” is consistent with the surrounding land uses. The west portion of the

subject property will remain “Suburban Tier” which will act as a sufficient buffer to the existing residential uses currently proposed for annexation.

2. Adverse Impacts on Neighboring Lands:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

3. Suitability as Presently Zoned:

The current “C-2” base zoning district is appropriate for the subject property’s location. The applicant’s request for “C-3”, “MF-33” and “NP-8” base zoning is also appropriate for the subject property’s location as it will offer additional retail options for the area and provides additional housing options to the area.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with any public policy objective as the request supports the “West/Southwest Sector Plan” goal of providing a range of housing types and prices to accommodate all residents within the Sector and within the same neighborhood and to provide opportunities for live/work locations

6. Size of Tract:

The subject property measures 118 acres which will reasonably accommodate the requested zoning uses.

7. Other Factors:

This is a request for zoning for a voluntary annexation by the applicant for a portion of the property.
