SUBJECT:

Tri-Starr Personnel, LLC. Professional Services Contract Extension

SUMMARY:

This Ordinance authorizes an extension of a professional services contract with Tri-Starr Personnel, LLC. to provide medical staff for the San Antonio Fire Department Wellness Center. The one-year extension will commence on October 1, 2015 for an amount not to exceed \$300,000.00.

BACKGROUND INFORMATION:

The FY 2010 budget approved the creation of a San Antonio Fire Department Wellness Program to monitor the health and wellness of its uniformed employees throughout their careers. This program was designed to

provide early detection of serious medical conditions and encourage better health, thereby allowing our members to do their job more safely and effectively. The program was modeled after the International Association of Fire Fighters (IAFF), International Association Fire Chiefs (IAFC) Wellness-Fitness Initiative (WFI) and in accordance with National Fire Protection Association (NFPA) Standards.

City Council Ordinance 2010-09-09-0785 authorized a professional services agreement with Tri-Starr Personnel, LLC for the provision of medical staffing necessary to perform annual medical physicals and health related education for all uniformed employees on September 9, 2010.

ISSUE:

The SAFD would like to extend the contract for an additional year.

ALTERNATIVES:

City Council could elect to not approve the contract extension with Tri-Starr Personnel, LLC. However, without the extension, the San Antonio Fire Department would not have the necessary medical staff to oversee the conduct of medical physicals.

FISCAL IMPACT:

This extension shall commence on October 1, 2015 and will continue through September 30, 2016 with one (1) one year extension. Expenditures for these services are subject to available funding through the Fire Department's fiscal year 2016 Adopted General Fund Operating Budget. The City will make no minimum guarantee pertaining to the volume of work which may be expected from this agency.

RECOMMENDATION:

Staff recommends authorizing the extension of the existing professional services agreement with Tri-Starr Personnel, LLC to provide medical staff for the SAFD Wellness Center.
