Executive Summary

The subject property is located on Lemur Drive, approximately 352’ west of Barbet Drive. The site is currently developed with an existing single-family residence which includes the one-operator beauty shop within the residence.

The Board of Adjustment first granted approval for this one operator beauty salon in 1999. Subsequent approvals have been obtained from the Board in 2000; 2002; 2006; 2010; and 2014. The last approval was 2014 for a period of four years. The current approval expired on October 6th, 2018. Section 35-399.01(i) of the UDC allows the Board to approve the requested special exception for a period not to exceed

four years.

The applicant has proposed hours of operation as Wednesday through Friday from 8:00AM until 2:00PM. The proposed hours of operation total less than 40. The applicant will be the only cosmetologist at the location. No violations of the requirements of the UDC were observed upon a staff visit to the site, and there have been no code violations reported.

It has been the Board’s policy that when considering renewals to a granted special exception application for one operator beauty salons to time limit any approval to four years after an initial two-year period. As such, if approval is contemplated by the Board, it should be for a time limit of four years (48 months). If approved for four years, the current special exception request would expire November 19th, 2022.
