### **RECOMMENDATION:**

**Staff Analysis & Recommendation:** Staff and Planning Commission (10-0) recommend Approval.

The applicant seeks a Plan Amendment from "Country Tier" to "Suburban Tier", to rezone to "C-2" Commercial District with a Conditional Use for a Cabinet Shop. The proposed "Suburban Tier" land use designation is fitting for this vacant parcel and allows expansion of an existing business. The location in close proximity to Camp Bullis Road to the south and to an expressway to the west is appropriate for commercial use.

**Sector Plan Criteria for review:**

- The recommended land use pattern identified in the North Sector Land Use Plan inadequately provides appropriate optional sites for the land use change proposed in the amendment.
- The amendment must constitute an overall improvement to the North Sector Plan and will not solely benefit a particular landowner or owners at a particular point in time.
- The amendment must uphold the vision for the future of the North Sector Plan.

**The amendment will not adversely impact a portion of, or the entire Planning Area by;**

- Significantly altering acceptable existing land use patterns, especially in established neighborhoods.
- Affecting the existing character (i.e. visual, physical, and functional) of the immediate area.
- Creating activities that are not compatible with adjacent neighboring uses, and, particularly, the mission of Camp Bullis Air Force Base.
- Significantly alter recreational amenities such as open space, parks, and trails.

**ALTERNATIVES:**

1. Recommend Denial of the proposed amendment to the North Sector Plan, as presented above.
2. Make an Alternate Recommendation.
3. Continue to a future date.
