Staff Analysis and Recommendation: Staff and Zoning Commission (8-0) recommend Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Northwest Community Plan and is designated as Low Density Residential. The requested "C-1" base zoning district is not consistent with the adopted land use designation. The applicant has applied for a Plan Amendment to change the designation to General Urban Tier. Staff and the Planning Commission recommended approval of the Plan Amendment.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on surrounding properties.

3. Suitability as Presently Zoned:

The proposed "C-1" zoning district would be appropriate for the subject property. The existing property is adjacent to Braun Road, a Secondary Arterial. The applicant requests this zoning change in order to develop the property as a bed and breakfast. The property currently has the existing rooms and the applicant is rezoning for compliance with the code.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property is 1.915 acres in size which accommodates the proposed development with adequate space for parking.

7. Other Factors:

None.
