The property was rezoned from "I-1" General Industrial District and "R-4" Residential Single-Family District to "R-4 CD" Residential Single-Family District with a Conditional Use for a Noncommercial Parking Lot by Ordinance 2007-05-17-0588, dated May 17, 2007.

"MLOD-2"

All surrounding properties carry the "MLOD-2" Military Lighting Overlay District, due to their proximity to Lackland Air Force Base. The "MLOD-2" does not restrict permitted uses, but does regulate outdoor lighting in an effort to minimize night-time light pollution and its effects on operations at the military installation.

"AHOD"

All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

### **Transportation**

**Thoroughfare:** North General McMullen

**Existing Character:** Primary Arterial A

**Proposed Changes:** None

**Thoroughfare:** Faust

**Existing Character:** Local

**Proposed Changes:** None

**Public Transit:** There are VIA bus routes within walking distance of the subject property.

**Routes:** 75, 76, 79, 275, 276, 524

**Traffic Impact:** A Traffic Impact Analysis (TIA) is not required. The traffic generated by the proposed development does not exceed the threshold requirements.

**Parking Information:** The minimum parking requirement for motor vehicle sales is 1 space per 500 square feet of ground floor area of sales and service building.

### **ISSUE:**

None.

### **ALTERNATIVES:**

**Current:** The current "R-4" Residential Single-Family District provides areas for medium- to high-density, single-family residential uses where adequate public facilities and services exist with capacity to serve development. This district is composed mainly of areas containing single-family dwellings and open area where similar residential development seems likely to occur. Residential single-family provides minimum lot size and density requirements in order to preserve neighborhood character.

**Proposed:** The proposed "C-2" Commercial District permits general commercial activities designed to serve the community such as repair shops, wholesale businesses, warehousing and limited retail sales with some outdoor display of goods. This district promotes a broad range of commercial operations and services necessary for large regions of the city, providing community balance. "C-2" districts accommodate commercial and retail uses that are more intensive in character than "NC" and "C-1" uses, and which generate a greater volume of vehicular traffic and/or truck traffic.

The conditional use allows consideration of Motor Vehicle Sales.

### **FISCAL IMPACT:**

None.

### **PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The property is not within a regional center but is within a premium transit corridor.

### **RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval with Conditions:

1. No temporary signage, banners, pennants, flags, or wind wavers.
2. No outdoor speakers.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is not located within any Community, Neighborhood, or Sector Plan therefore a finding of consistency is not required.

**2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current "R-4 CD MLOD-2 MLR-2 AHOD" Residential Single-Family Lackland Military Lighting Overlay Military Lighting Region 2 Airport Hazard Overlay District with a Conditional Use for a Noncommercial Parking Lot is an appropriate zoning for the property and surrounding area. The proposed "C-2" is consistent with zoning to the north, south, and west of the subject property. The proposed "CD" for Motor Vehicle Sales conditions down a "C-3" use and allows for consideration of motor vehicle sales with conditions. Conditions may include landscape or buffering, limited hours of operation, screening and restricted signage.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The subject property is not located within any Community, Neighborhood, or Sector Plan.

**6. Size of Tract:**

The subject property is 0.528 acres, which could reasonably accommodate a used car lot.

**7. Other Factors:**

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request.

The Conditional Use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.
