STAFF ANALYSIS & RECOMMENDATION:

Staff and Planning Commission (7-0) recommend Approval.

The proposed land use amendment from “Rural Estate Tier” to “Suburban Tier” is requested in order to rezone the property to “C-2 S UC-1 MLOD-1 MLR-2 ERZD” Commercial Nonalcoholic Sales Loop N 1604 W Corridor Overlay Camp Bullis Military Lighting Overlay Military Lighting Region 2 Edwards Recharge Zone

District with Special Use Authorization for an Animal Clinic. This is consistent with the North Sector Plan's objective to have a strong and stable industries that promote economic stability and neighborhoods where detached retail services such as professional offices are appropriate. The proposed Plan Amendment to "Suburban Tier" is a compatible land use transition from the adjacent residential zoning to the north and the expressway.

North Sector Plan Criteria for review:

- The recommended land use pattern identified in the North Sector Land Use Plan inadequately provides appropriate optional sites for the land use change proposed in the amendment.
- The amendment must constitute an overall improvement to the North Sector Plan and will not solely benefit a particular landowner or owners at a particular point in time.
- The amendment must uphold the vision for the future of the North Sector Plan.

The amendment will not adversely impact a portion of, or the entire Planning Area by;

- Significantly altering acceptable existing land use patterns, especially in established neighborhoods.
- Affecting the existing character (i.e. visual, physical, and functional) of the immediate area.
- Creating activities that are not compatible with adjacent neighboring uses, and, particularly, the mission of Camp Bullis Air Force Base.
- Significantly alter recreational amenities such as open space, parks, and trails.

ALTERNATIVES:

1. Recommend denial of the proposed amendment to the North Sector Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
