Denial of the requested zoning change would result in the subject property retaining the present zoning district designation of “C-2”, which allows car washes, minor automobile repair and service, amusement establishments, theaters, arcades, fitness centers, plant nurseries, paint and wall paper stores, gasoline stations with repair service, fix-it shops, community shopping centers, small motels; low to mid rise office buildings; no outdoor storage or display of goods except for outdoor dining.

**FISCAL IMPACT:**

None.

**PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:**

The subject property is not within a Regional Center or within ½ of a mile of Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the West/Southwest Sector Plan and is currently designated as “General Urban Tier” in the future land use component of the plan. The requested “R-4” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed rezoning to “R-4” Residential Single-Family District will allow for the development of a single-family home in a largely residential area.

**3. Suitability as Presently Zoned:**

The current “C-2” Commercial District is not an appropriate zoning for the property and surrounding area. The majority of the properties in the area are single-family residences. An appropriate commercial base zoning for the property would be “NC” Neighborhood Commercial District or “C-1” Light Commercial District.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare. The proposed rezoning is requested in order to build a single-family residence.

## 5. Public Policy:

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the West/Southwest Sector Plan.

### West/Southwest Sector Plan:

#### Sector Plan Criteria for review:

- The recommended land use pattern identified in the West/Southwest Sector Land Use Plan inadequately provides appropriate optional sites for the land use change proposed in the amendment.
- The amendment must constitute an overall improvement to the Sector Plan and will not solely benefit a particular landowner or owners at a particular point in time.
- The amendment must uphold the vision for the future of the West/Southwest Sector Plan.

#### West/Southwest Sector Plan Relevant Goals and Objectives:

- Goal HOU-1 Housing stock is diverse and densities are distributed in accordance with the adopted West/Southwest Sector Land Use Plan
- HOU-1.2 Provide a range of housing types and prices to accommodate all residents within the Sector and within the same neighborhood
- Goal HOU-2 New housing developments locate near existing community facilities, schools, and physical infrastructure (e.g., streets, water, sewer, etc.) with sufficient capacity to serve new developments

## 6. Size of Tract:

The subject property is 0.8919 of an acre which would adequately support a single-family residence.

## 7. Other Factors:

None.
