ISSUE:

Comprehensive Plan

Comprehensive Plan Component: Tobin Hill Community Plan

Plan Adoption Date: February 21, 2008

Plan Goals: Goal 2: Housing: Improve the quality, appearance, and variety of existing and new housing for all ages while increasing home ownership and investment in the area.

Goal 2.4: Housing Diversity: While preserving the neighborhood’s historic housing inventory, encourage the utilization of available land to develop single family homes in the residential core of the neighborhood and, where appropriate, higher density housing (townhomes, condos, apartments) in areas designated as Low Density and High Density Mixed Use (see Development Guidelines).

Comprehensive Land Use Categories

Medium Density Residential: Duplexes, triplexes and fourplexes on single lots, and may also include cottage homes and townhouses, generally placed at the perimeter of residential areas and on collector streets. Low density residential uses are also allowed.

Permitted Zoning Districts: R3, R4, R5, R6, RM-4, RM-5, RM-6

Comprehensive Land Use Categories

Low Density Mixed Use: Mix of low intensity residential and commercial uses (adjacent lots, or integrated in one structure). Compatibility between commercial and residential uses. Shared parking located to rear of structure, limited curb cuts o Monument signs encouraged. Examples include professional/personal services, shop front retail with restaurants, cafes and gift shops.

Permitted Zoning Districts: R3, R4, R5, R6, RM-4, RM-5, RM-6, MF-25 (2 stories) NC, C1, C2-P; IDZ, TOD, MXD, UD, O-1, FBZD

Land Use Analysis

The applicant requests this plan amendment and associated zoning change in order to pursue future subdivision of the property and build 5 single-family detached homes. The property currently has one structure with multiple residential units which the applicant proposes demolishing. The proposed lot sizes will not be less than 1,250 square feet which is the minimum required lot size required for “IDZ” base zoning. The proposed amendment to Low Density Mixed Use future land use classification will provide additional residential stock within the Tobin Hill Neighborhood Plan area and meet the plan’s goal of encouraging the utilization of available land to develop single family homes in the residential core of the neighborhood and, where appropriate, higher density housing (townhomes, condos, apartments) in areas designated as Low Density and High Density Mixed Use (see Development Guidelines).

ALTERNATIVES:

1. Recommend denial of the proposed amendment to the Tobin Hill Neighborhood Plan.
2. Make an alternate recommendation.
3. Defer the application to a future date.

FISCAL IMPACT:

None.

RECOMMENDATION: Staff recommends approval. The proposed amendment from Medium Density Residential to Low Density Mixed Use future land use classification will meet the goal of the Tobin Hill Neighborhood Plan encouraging the utilization of available land to develop single family homes in the residential core of the neighborhood and, where appropriate, higher density housing such as townhomes, condos, apartment. In addition, the proposed amendment meets the goal of improving the quality, appearance, and variety of existing and new housing for all ages while increasing home ownership and investment in the

area.

PLANNING COMMISSION RECOMMENDATION: Approval (8-0)

ZONING COMMISSION SUPPLEMENTAL INFORMATION: Z2016193

Current Zoning: "MF-33 AHOD" Multi-Family Airport Hazard Overlay District

Proposed Zoning: "IDZ AHOD" Infill Development Zone Airport Hazard Overlay District with Five (5) Single-Family Units

Zoning Commission Hearing Date: July 19, 2016
