Police Motorcycles

SUMMARY:

This ordinance authorizes acceptance of the offer from Kent Powersports to provide 11 replacement police motorcycles for a total cost of \$263,989.00. Funding for this purchase is available from the Equipment Renewal and Replacement Fund (ERRF).

BACKGROUND INFORMATION:

Submitted for City Council consideration and action is offer submitted by Kent Powersports to provide 11 replacement 2016 Honda GL18HPMG Goldwing Police Motorcycles for a total cost of \$263,989.00. There are currently 26 motorcycles in the City's fleet.

Through extensive testing and evaluation, the SAPD and San Antonio Police Officers' (SAPOA) Labor Relations Committee (LRC) unanimously chose the Honda GL18HPMG Goldwing Motorcycle. The LRC reviews equipment requirements in support of law enforcement operations. The patrol units are replaced at 36 months in accordance with the Collective Bargaining Agreement (CBA). The proposed recommendation complies with all requirements as set forth in the CBA. The recommendation to purchase Honda GL18HPMG Goldwing Motorcycles was first presented to the Public Safety Council Committee on October 24, 2012.

These motorcycles will be utilized by the Police Department and will provide vital support to public safety, law

enforcement and security for the residents of the City of San Antonio and surrounding areas.

ISSUE:

This contract will provide the Police Department with 11 replacement units to the City's fleet. The replacement of these units is consistent with the City's Equipment Replacement and Renewal Fund (ERRF) program. These motorcycles are being purchased utilizing a Public Health or Safety exemption from competitive bidding. However, offers were solicited from multiple Honda dealerships.

The life expectancy for these units is 36 months. These units have a three-year unlimited-mileage limited warranty.

The Small Business Economic Development Advocacy (SBEDA) Ordinance requirements were waived due to the lack of small, minority, and/or women businesses available to provide these goods and services.

There were no offers received from local vendors for this contract; therefore, the Local Preference Program was not applied.

The Veteran-Owned Business Program does not apply to good/supplies contracts, so no preference was applied to this contract.

ALTERNATIVES:

Should this contract not be approved, the Police Department's ability to provide essential services to the residents of San Antonio could be affected. All of the replaced equipment has met or will meet its age or hour requirement cycles for replacement. The replacement date is considered the optimum time for replacement as delaying the acquisition could render the units no longer economically feasible to repair and could impact the departments' ability to provide essential services to the residents of San Antonio.

FISCAL IMPACT:

The total cost of this contract is \$263,989.00 which will be funded from the Equipment Renewal and Replacement Fund.

RECOMMENDATION:

Staff recommends the approval of the purchase of 11 replacement motorcycles from with Kent Powersports for a total cost of \$263,989.00.

This contract was procured on the basis of Public Health or Safety Exemption and a Contracts Disclosure

Form is not required.
