**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval

**Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.**

**1. Consistency:**

The subject property is in Tobin Hill Community Plan. Since the proposal is to add “H” Historic District as an overlay zoning district without proposing to change base zoning districts, a consistency review is not applicable.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

Surrounding lots are developed with residential and commercial uses. The proposed zoning request is consistent with the surrounding land uses.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed request meets the San Antonio Comprehensive Plan’s goals and objectives of Historic Preservation and Cultural Heritage chapter.

**6. Size of Tract:**

The subject area is 13.75 acres in size.

**7. Other Factors:**

**Findings of the Office of Historic Preservation:**

- a. A public meeting for potential historic district designation as held on November 10, 2016, for property owners. By November 18, 2016, the staff of the Office of Historic Preservation received 51% in support of the designation. In accordance with the UDC, the 51% triggered staff to schedule the request in front of the HDRC.
- b. Consistent with the UDC sec. 35-607(b)(8), the properties maintain a high level of historical, architectural,

and cultural integrity related to their location within the plat, the style homes, including Craftsman, Folk Victorian, Tudor Revival, and Vernacular Shotgun houses, and the use of wood construction.

c. Consistent with the UDC sec.35-607(b)(10), the properties, primarily residential though some commercial, reflect the established neighborhood and physical plan and development of the subdivision platted by Mrs. Sarah F. Ostrom in 1913.

d. Consistent with the UDC sec. 35-607(b)(11), these homes exemplify the economic heritage of the city during the 1910s and 1920s as the city grew rapidly, and the modest means of the renters and property owners.

e. Historic districts possess cultural and historical value and contribute to the overall quality and character of the City. The City offers a tax incentive for all residential properties occupied by the property owner at the time of the designation. The incentive is a 20% tax exemption on City taxes for 10 years provided the owner remains in the property.

**Office of Historic Preservation Recommendation:** Approval.

**The Historic Design Commission Action:** The Historic and Design Review Commission concurred that the proposed district meets criteria and is eligible for designation. The commission recommends historic district designation for the Tobin Hill North Historic District.
