ISSUE:

Plan Adoption Date: February 22, 2001
Update History: March 20, 2008

Goal: The purpose is to promote attractive and cohesive developments along the IH 10 East Corridor in a manner that protects the City’s cultural, natural, and economic fabric. As a management tool for new growth, the overlay can protect capital projects and other public investments to stabilize and strengthen property values within the corridors and promote a quality environment that would assist in strengthening the economy of the City.

Comprehensive Land Use Categories

Parks & Open Space: Parks / Open Space includes large, or linear, unimproved land where conservation is promoted and development is not encouraged due to presence of topographic constraints or institutional uses on the site. Parks /Open Space include flood plains, utility corridors, public and private land uses that encourage outdoor passive or active recreation. Examples include City pocket, regional, or linear parks, as well as private parks associated with subdivisions and neighborhood associations.

Example Zoning Districts:
None

Comprehensive Land Use Categories

Low Density Residential: Low Density Residential Development includes Single Family Residential Development on individual lots. This form of development should be located away from major arterials, and can include certain non-residential uses such as schools, places of worship, and parks that are centrally located for convenient neighborhood access.

Example Zoning Districts:
R-4, R-5, R-6, NP-8, NP-10, NP-15, R-20, & RE

LAND USE ANALYSIS:

The applicant requests this plan amendment and associated zoning change for development of single family homes on the subject property. The proposed amendment to Low Density Residential land use will not significantly alter the land use pattern and character of the immediate area. The Low Density Residential classification supports the IH-10 East Corridor Perimeter Plan to promote attractive and cohesive developments along the IH 10 East Corridor in a manner that protects the City's cultural, natural, and economic fabric.

ALTERNATIVES:

1. Recommend denial of the proposed amendment to the IH-10 East Corridor Perimeter Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.

FISCAL IMPACT:

None

RECOMMENDATION:

Staff recommends Approval. The proposed amendment to Low Density Residential land use will not significantly alter the land use pattern or character of the immediate area. The proposed change is compatible with the existing pattern of development.

PLANNING COMMISSION RECOMMENDATION:

Approval (7-0).
