The San Antonio Water System Board of Trustees is vested with the complete management, control and operation of the Water System. The Board controls the expenditure and application of the revenues of the System, and makes recommendations to the City Council concerning rates, fees, and changes for services rendered by the System. Members serve a 4-year term of office, and are limited to serving 2 terms.

Per Ordinance 87010 paragraph 4 denotes Trustees are required to be U.S. citizens and reside inside the corporate limits of the City or inside the area served by the system.
