**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (9-0) recommend Approval.

**Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.**

**1. Consistency:**

The property is not located within an adopted Neighborhood, Community, Perimeter, or Sector Plan. Therefore, a finding of consistency is not required.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed rezoning to “C-2” is identical to the many convenience stores in the area that are surrounded by single-family residences. Also, the subject property is already an existing convenience store and has shown no adverse impacts on the neighboring properties.

**3. Suitability as Presently Zoned:**

The current “R-4” Residential Single-Family District is an appropriate zoning for the property and surrounding area.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the SA Tomorrow Comprehensive Plan.

SA Tomorrow Comprehensive Plan Relevant Goals and Objectives:

- GCF Goal 5: Growth and city form support improved livability in existing and future neighborhoods.
- GCF P9: Allow higher-density and mixed uses in portions of, or adjacent to, single-family residential areas to encourage shopping, services and entertainment amenities in closer proximity to housing and where appropriate

**6. Size of Tract:**

The subject property is 0.097 acres, which would adequately support a convenience store.

**7. Other Factors:**

The applicant is requesting the rezoning to expand the existing convenience store by 850 square feet.
