BACKGROUND INFORMATION:

With the adoption of the FY 2019 Budget on September 13, 2018, City Council approved the Street Maintenance Program (SMP) at \$110 million, the largest in San Antonio’s history and an increase of \$11 million over the previous year’s program. A total of \$110 million is available to complete the entire SMP, which is comprised of both in-house and contractual street maintenance projects. Table 1 below summarizes the Street Maintenance Program construction contracts awarded to date.

Table 1. FY 2019 Street Maintenance Program Contracts Awarded to Date

Awarded Contracts	Amount Awarded
FY 2019 Contracts Awarded as of 02/14/2019	\$55,473,527.10
Proposed FY 2019 Contract Package Today	\$17,790,044.11
Total FY 2019 Contracts Approved To Date	\$73,263,571.21
Remaining Contract Capacity from FY 2018 SMP	\$8,000,000.00
Total Available Contract Capacity	\$81,263,571.21
Approved Contract Budget	\$98,000,000.00
Remaining FY 2019 Contract Budget with Approved Contract Today	\$16,736,428.79

This ordinance authorizes five contracts totaling \$17,790,044.11 for the construction of the FY 2019-2020 Fog Seal, Onyx Seal, Asphalt Overlay and Reclamation Reconstruction projects. These projects provide pavement preservation, pavement rehabilitation and reconstruction. The preservation include a Fog Seal application (a

thin, liquid oil applied to the surface of existing asphalt to weatherproof and preserve the life of pavement) and an Onyx Seal application (small, crushed rock applied to the surface of existing asphalt to preserve the life of pavement and provide improved driving surfaces). The rehabilitation includes an Asphalt Overlay application (a milling and 2-inch overlay of asphalt and base repairs as needed). The Reclamation and Reconstruction projects include, but are not limited to the repair of a street's base structure, asphalt surface overlay, concrete flatwork and wheelchair ramp improvements. Additional contracts are scheduled to be awarded at a later date for the remaining FY 2019 Street Maintenance Program.

ISSUE:

A. This ordinance for the 2019 Asphalt Overlay Task Order Contract Package 7 accepts the lowest responsive bid and awards a contract to J&P Paving Co., Inc. in an amount not to exceed \$3,441,190.63 of which \$52,787.00 will be reimbursed by San Antonio Water System (SAWS) and \$17,576.25 will be reimbursed by CPS Energy for necessary adjustments to its existing infrastructure. Funds are included in the FY 2019 - 2024 Capital Improvements Program Budget and funded from various funding sources to include the General Fund, Advanced Transportation District Fund, debt proceeds, or other funding sources.

B. This ordinance for the 2019 Asphalt Overlay Task Order Contract Package 8 accepts the lowest responsive bid and awards a contract to J&P Paving Co., Inc. in an amount not to exceed \$3,615,913.13 of which \$52,787.00 will be reimbursed by San Antonio Water System (SAWS) and \$17,576.25 will be reimbursed by CPS Energy for necessary adjustments to its existing infrastructure. Funds are included in the FY 2019 - 2024 Capital Improvements Program Budget and funded from various funding sources to include the General Fund, Advanced Transportation District Fund, debt proceeds, or other funding sources.

C. This ordinance for the 2019-2020 Fog Seal Task Order Contract Package 1 accepts the lowest responsive bid and awards a contract to Clark Construction of Texas, Inc. in an amount not to exceed

\$1,917,984.35 of which \$24,000.00 will be reimbursed by San Antonio Water System (SAWS) for necessary adjustments to its existing infrastructure. Funds are included in the FY 2019 - 2024 Capital Improvements Program Budget and funded from various funding sources to include the General Fund, Advanced Transportation District Fund, debt proceeds, or other funding sources.

D. This ordinance for the 2019-2020 Onyx (Slurry Seal) Task Order Contract Package 1 accepts the lowest responsive bid and awards a contract to Clark Construction of Texas, Inc. in an amount not to exceed \$3,779,448.50 of which \$48,000.00 will be reimbursed by San Antonio Water System (SAWS) for necessary adjustments to its existing infrastructure. Funds are included in the FY 2019 - 2024 Capital Improvements Program Budget and funded from various funding sources to include the General Fund, Advanced Transportation District Fund, debt proceeds, or other funding sources.

E. This ordinance for the 2019 Reclamation Reconstruction Task order Contract Package 12 accepts the lowest responsive bid and awards a contract to Alamo City Constructors, Inc. in an amount not to exceed \$5,035,507.50, of which \$325.00 will be reimbursed by San Antonio Water System (SAWS) and \$15.00 will be reimbursed by CPS Energy for necessary adjustments to existing infrastructure. Funds are included in the FY 2019 - 2024 Capital Improvements Program Budget and funded from various funding sources to include the General Fund, Advanced Transportation District Fund, debt proceeds, or other funding sources.

These packages for Fog Seal, Onyx (Slurry Seal), Asphalt Overlay and Reclamation Reconstruction projects include, but are not limited to, pavement resurfacing, crack sealing, repair of a street’s base structure, asphalt surface overlay, concrete flatwork and wheelchair ramp improvements and any other work required for the completion of projects. SAWS and CPS Energy participation on these packages is necessary in order to allow SAWS and CPS Energy to complete adjustments to its existing infrastructure while a City project is under construction. SAWS and CPS Energy will reimburse its improvement costs to the City of San Antonio based on the bid unit prices received per these construction contracts.

Task order contracts are utilized when multiple projects are to be delivered through various programs and funding sources in a limited timeline but the specific projects (scope and limits) are not known. A task order contract is awarded based on the capacity, or total dollar amount, anticipated to deliver a number of projects within a specified limited timeframe. Funding for these projects may include, but is not limited to the General Fund, Advanced Transportation District (ATD), or other funding sources.

ALTERNATIVES:

As an alternative, City Council could choose not to award these contracts and request staff to re-bid these packages; however, re-bidding would delay the delivery of the FY 2019-2020 Street Maintenance Program and would result in the delay of street maintenance projects being completed as programmed.

FISCAL IMPACT:

A. This ordinance accepts the lowest responsive bid and awards the 2019 Asphalt Overlay Task Order Contract Package 7 to J&P Paving Co., Inc. in an amount not to exceed \$3,441,190.63, of which \$52,787.00 will be reimbursed by San Antonio Water System (SAWS) and \$17,576.25 will be reimbursed by CPS Energy for necessary adjustments to its existing infrastructure. Funds are included in the FY 2019 - 2024 Capital Improvements Program Budget and funded from various funding sources to include the General Fund, Advanced Transportation District Fund, debt proceeds, or other funding

sources.

B. This ordinance accepts the lowest responsive bid and awards the 2019 Asphalt Overlay Task Order Contract Package 8 to J&P Paving Co., Inc. in an amount not to exceed \$3,615,913.13 of which \$52,787.00 will be reimbursed by San Antonio Water System (SAWS) and \$17,576.25 will be reimbursed by CPS Energy for necessary adjustments to its existing infrastructure.
