**Comprehensive Plan**

**Comprehensive Plan:** Extraterritorial Jurisdiction Military Protection Area Land Use Plan

**Plan Adoption Date:** September 19, 2019

M Goal 1: Incompatible land uses in the vicinity of Joint Base San Antonio (JBSA) locations are minimized in order to safeguard operational mission requirements.

M Goal 3: Communication and coordination between San Antonio, adjacent jurisdictions, and the military engender a strong regional approach to compatibility issues.

M Goal 6: San Antonio invests and coordinates with the military to minimize potential future impacts that could be created as a result of sequestration or base closure or realignment initiatives.

**Comprehensive Land Use Categories**

**Land Use Category:** “Low Density Residential”

**Description of Land Use Category:** Low Density Residential includes single-family detached houses on individual lots, including manufactured and modular homes. This form of development should not typically be located adjacent to major arterials. This land use category can include certain nonresidential uses such as schools, places of worship, and parks that are centrally located for convenient neighborhood access.

**Permitted Zoning Districts:** R-4, R-5, R-6, NP-8, NP-10, and NP-15

**Land Use Category:** “Employment Flex/Mixed Use”

**Description of Land Use Category:** Employment Flex/Mixed Use provides a flexible live/work environment with an urban mix of residential and light services industrial uses. Uses include smaller-scale office, retail, art studio warehouse, art-oriented fabrication, creative businesses and work spaces, and cottage industrial and fabrication uses. Adaptive uses of vacant or underutilized structures are encouraged to provide residential urban infill and appropriate employment opportunities within or in close proximity to neighborhoods. Buildings have a smaller footprint and can closely resemble campus-like development across multiple sites or with several multi-functioning buildings on one site

**Permitted Zoning Districts:** RM-4, MF-18, MF-25, MF-33, O-1, O-1.5, C-1, C-2, L, AE-1, AE-2, AE-3, and AE-4.

**RECOMMENDATION:**

Staff Analysis and Recommendation: Staff and Planning Commission (10-0) recommend Approval.

The applicant seeks a Plan Amendment from “Low Density Residential” to “Employment Flex/Mixed Use” for a warehouse and small office. The proposed “Employment Flex/Mixed Use” is consistent with existing commercial use to the north of the property. In addition, the property is located on Boerne Stage Road which is a secondary arterial. “Employment Flex/Mixed Use” would permit commercial uses and light industrial uses that are more appropriate for property fronting on a secondary arterial than the current “Low Density Residential.” This request is also suitable to the goals of the Comprehensive Plan to ensure that future land use classifications adjacent to military installations are well-suited to the goals and objectives of the area. Joint Base San Antonio does not object to the proposed plan amendment.

**ALTERNATIVES:**

1. Recommend Denial of the proposed amendment to the Extraterritorial Military Protection Area Land

- 
2. Use Plan, as presented above.
3. Make an alternate recommendation.
3. Continue to a future date.
