**1. Consistency:**

The property is located within the Nogalitos/South Zarzamora Community Land Use Plan. The requested “C-2 AHOD” base zoning district is consistent with the adopted land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on surrounding properties.

**3. Suitability as Presently Zoned:**

The applicant requests this zoning change in order to have a convenience store on the property. The adjacent businesses do not have any alcoholic restrictions and have related businesses that are compatible to the proposed “C-2” zoning designation. The “C-2” zoning designation is appropriate for this location. The requested use is consistent with the existing development pattern.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property is 0.2870 acres in size, which accommodates the proposed development with adequate space for parking.

**7. Other Factors:**

None.
