

# City of San Antonio

## Agenda Memorandum

**File Number:** 15-3258

---

**Agenda Item Number:** 44.

**Agenda Date:** 6/18/2015

**In Control:** City Council A Session

---

**DEPARTMENT:** Transportation & Capital Improvements

**DEPARTMENT HEAD:** Mike Frisbie, P.E.

**COUNCIL DISTRICTS IMPACTED:** Council District 9

### **SUBJECT:**

Interlocal Agreement with NEISD for Hidden Forest Elementary School Drainage Improvements

### **SUMMARY:**

An Ordinance authorizing the execution of an Interlocal Agreement between the City of San Antonio and the North East Independent School District in an amount not-to-exceed \$40,000.00 for construction related to the Hidden Forest Elementary School Drainage Improvements Project paid from the City's Storm Water Operating Fund.

### **BACKGROUND INFORMATION:**

During storm events, runoff from a portion of the Hidden Forest Elementary School campus drains between two adjacent residential properties located behind the school campus which has resulted in past property flooding and damage during major storm events. There is an existing Drainage Right-of-Way with an underground storm water system (pipe) located between these two properties which has been determined to be undersized. As a result, City and NEISD have proposed a joint partnership to improve the overall drainage system which serves this area and will help alleviate future flooding to the neighboring residential properties.

On May 11, 2015, the NEISD Board approved the bidding of the project with an anticipated construction award of July 13, 2015.

### **ISSUE:**

An Ordinance authorizing the execution of an Interlocal Agreement between the City of San Antonio and the North East Independent School District in an amount not-to-exceed \$40,000.00 for construction related to the Hidden Forest Elementary School Drainage Improvements Project paid from the City's Storm Water Operating Fund.

NEISD shall design and construct the Hidden Forest Elementary School Drainage Improvements and the City will contribute up to 60% of the construction costs to improve the overall drainage system which serves this area and will help alleviate future flooding to the neighboring residential properties.

**ALTERNATIVES:**

An alternative is that Council could not approve the ILA. However, NEISD would lose the partnership opportunity with the City to leverage program funding which would jeopardize NEISD's ability to complete the project.

**FISCAL IMPACT:**

This ordinance authorizes an ILA with NEISD in an amount not-to-exceed \$40,000.00 for construction related to the Hidden Forest Elementary School Drainage Improvements Project. Funds will be paid from the Storm Water Operating Fund.

**RECOMMENDATION:**

Staff recommends approval of this ordinance authorizing the execution of an Interlocal Agreement (ILA) between the City of San Antonio (City) and the North East Independent School District (NEISD) for construction related to the Hidden Forest Elementary School Drainage Improvements Project.
