The City issued a Request for Competitive Sealed Proposal (RFCSP) for “Annual Contract for Summer Food Service Program”- (RFCSP 610004845) on October 24, 2014, with a submission deadline of December 12, 2014. Two proposal responses were received.

The evaluation panel consisted of representatives from the City Manager’s Office, the Parks and Recreation Department, Health Department and the Northside Independent School District. The Finance Department, Purchasing Division assisted by ensuring compliance with City procurement policies and procedures. Additional categories of consideration included references and financial qualifications.

The evaluation of each proposal response was based on a total of 100 points; 30 points allotted for experience, background, and qualifications; 30 points allotted for proposed plan including taste test; and 25 points allotted for respondent’s price schedule. Fifteen preference points were allotted for the Small Business Economic Development Advocacy Program, SBE Prime Contractor Program Affirmative Procurement Initiative.
