**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Dignowity Hill Neighborhood Plan and is also within the Dignowity Hill Historic District. The proposed “RM-4” is consistent with the Low Density Mixed Use future land use component of the plan.

The existing “C-1” base zoning district is not suitable since the property is currently residential. The proposed “RM-4” is consistent with surrounding zoning land uses.

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.
