RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Eastern Triangle Future Land Use Plan and is currently designated as High Density Mixed Use in the land use component of the plan. The requested “RM-6” Residential Mixed base zoning district is consistent with the adopted land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has not found any likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.

3. Suitability as Presently Zoned:

The existing “R-5” Residential Single-Family base zoning district is appropriate for the surrounding area.

4. Health, Safety and Welfare:

Staff has not found any indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to be in conflict with any public policy objective, including the Eastern Triangle Future Land Use Plan.

6. Size of Tract:

The 1.0788 acre site is of sufficient size for the proposed development.

7. Other Factors:

None.
