**ALTERNATIVES:**

The current use of the property is a college sorority house. The owner proposes terminating the use of the property as a college sorority house and plans to convert the property to three (3) professional offices and (1) one residence. None.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Monte Vista Neighborhood Association and is to be used as a land use guide. The proposed zoning change is consistent with the land uses and base zoning of the surrounding properties.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds that the proposed zoning change poses no adverse impacts to neighboring lands.

**3. Suitability as Presently Zoned:**

The current base zoning of “R-4,” although a suitable use within the Monte Vista Historic area, is inconsistent

with the commercial uses of adjacent properties along this portion of West Mistletoe Avenue. The proposed zoning is consistent with established uses in the area.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

Staff finds that the proposed zoning change imposes no adverse effect on public policy.

**6. Size of Tract:**

The subject property measures 0.1435 acres in size, which is sufficient to accommodate the development.

**7. Other Factors:**

The property owner has indicated that the detached garage will be demolished and removed in order to provide off-street parking in the rear of the property which is accessible by an alley. The property owner will need to obtain a demolition permit through the Office of Historic Preservation and the Building Division.
