RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the North Sector Plan and is currently designated as Suburban Tier in the future land use component of the Plan. The requested “RM-4” base district is consistent with the future use designation and surrounding land use.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The existing “C-2” is appropriate zoning district for the area and is consistent with surrounding established Commercial land use and the North Sector Plan’s future designation land use.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property measures 15.65 acres in size, which is sufficient to accommodate the proposed residential development and required parking.

7. Other Factors:

None.
