**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Oakland Estates Neighborhood Plan and is designated as “Neighborhood Commercial” in the land use component of the plan. The requested “C-2” base zoning district is not consistent with the adopted land use designation. The applicant has applied for a Plan Amendment to change the designation to “Community Commercial”. Staff recommends approval. Planning Commission continued the case therefore, an automatic continuance is required by the Zoning Commission.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on surrounding properties.

**3. Suitability as Presently Zoned:**

The proposed “C-2” base zoning district would be appropriate for the subject property and surrounding area. The existing property is adjacent to Babcock Road, a Secondary Arterial. The applicant requests this zoning change in order to develop the property as a dentist’s office.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property is 1.29 acres in size which accommodates the proposed development with adequate space for parking.

**7. Other Factors:**

None.
