**BACKGROUND INFORMATION:**

The FY 2016 Proposed Budget was presented to the Mayor and City Council on August 6, 2015. The FY 2016 Proposed Budget reflects City Council policy direction and community priorities. The Budget decreases the City's property tax rate, increases funding to streets and sidewalks, and maintains public safety spending below 66% of the General Fund. Additionally, budgeted financial reserves are maintained at 15% of General Fund revenues. The budget proposal does not recommend any layoffs of uniform or civilian employees.

The Proposed Consolidated Annual Budget, comprised of all funds excluding transfers, totals \$2.5 billion. The General Fund budget is \$1.1 billion; restricted funds, including Aviation, Development Services, and Solid Waste, total \$780 million; and the FY 2016 Capital Budget is \$670 million.

Following the presentation of the proposed budget a series of city council budget worksessions are scheduled from August 11 to September 9. At these sessions City staff will review the budget proposals with the Mayor and City Council in detail.
