RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Huebner/Leon Creeks Community Plan and is designated as Medium Density Residential. The requested “C-2” base zoning district is not consistent with the adopted land use designation. The applicant has requested a plan amendment to Community Commercial for consistency.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on surrounding properties in relation to this zoning request.

3. Suitability as Presently Zoned:

The existing “R-6” zoning district is not appropriate for the subject property and surrounding areas. The subject property is located on Bandera Road, a primary arterial with high traffic volumes, and is located adjacent to other Commercial zoning, making “C-2” a better suited zoning for the property.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective. The zoning request fulfills the goals of the Huebner/Leon Creeks Community Plan, by promoting new commercial and residential development that is respectful of the primarily residential character of the area.

6. Size of Tract:

The subject property is 1.975 acres in size, which accommodates the proposed development of an appliance store.

7. Other Factors:

None.
