ISSUE:

Comprehensive Plan

Comprehensive Plan Component: San Antonio International Airport Vicinity Land Use Plan

Plan Adoption Date: May 20, 2010

Update History: N/A

Goal: Protect the quality of life of residents including health, safety and welfare.

Land Use Plan Key Theme 5: Preserving neighborhood integrity and preventing commercial encroachment.

Comprehensive Land Use Categories

Medium Density Residential: Single-Family houses on individual lots, zero-lot line configuration, duplexes triplexes, fourplexes, cottage homes and townhomes.

Certain lower impact community oriented uses such as churches, parks or community centers are appropriate.

Example Zoning Districts:

R-3, RM-4, RM-5, RM-6, MF-18

Comprehensive Land Use Categories

Business Park: Medium to large size building in a low rise format that house a professional administrative, light manufacturing, flex space and warehouse functions for private corporations.

Example Zoning Districts: BP, C-3, & L

Comprehensive Land Use Categories

Mixed Use: Mix of low intensity residential and commercial uses should have mix uses in the same building or

in the same development. Shared parking located to rear of structure, limited curb cuts inclusive community commercial uses and low and medium density residential uses.

Example Zoning Districts: MXD, TOD, IDZ, UD, FBZD, NC, C-1, C-2, C-2P, O-1, O-1.5, RM-4, RM-5, RM-6, MF-18, MF-25

Low Density Residential, Public/Institutional, Medium Density Residential and High Density Residential

Current Use

Vacant Lots, Single-Family Homes, and Church and apartments

West

Future Land Use Classification

Low Density Residential

Current Use

Single-Family Homes

LAND USE ANALYSIS:

The proposed Plan Amendment to Mixed Use will provide for an array of housing choices for the San Antonio International Airport Vicinity Plan community. The applicant requests this Plan Amendment change to “Mixed Use” land use classification in order to redevelop the property into sixteen (16) single-family lots. The proposed redevelopment will preserve the neighborhood integrity and will prevent commercial encroachment. The redevelopment is proposing to remove the “Business Park” land use category and to change the Medium Density land use category with the intent to construct sixteen (16) single-family homes. The proposed development meets the Land Use Plan Key Themes for the San Antonio International Airport Vicinity Land Use Plan.

The proposed Plan Amendment to “Mixed Use” will provide support and encourage patterns of development

that provide single-family housing choices and promote a sense of community, urban vitality, and efficient provision of infrastructure. The development of the subject property with the “Mixed Use” use classification will contribute toward the San Antonio International Airport Vicinity Land Use Plan’s vision of compatibility by not significantly altering the existing development pattern. The proposed change is not anticipated to pose any negative impact on adjacent neighboring uses or adversely affect any recreational amenities in the area.

ALTERNATIVES:

1. Recommend denial of the proposed amendment to the San Antonio International Vicinity Land Use Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.

FISCAL IMPACT:

None.

RECOMMENDATION:

Staff recommends approval. The proposed amendment to “Mixed Use” will provide for the development of housing in the area and will preserve the neighborhood integrity.

ZONING COMMISSION SUPPLEMENTAL INFORMATION: Z2015305

Current Zoning: "MF-33 AHOD" Multi-Family Airport Hazard Overlay District and "O-2 AHOD" High-Rise Office Airport Hazard Overlay District

Proposed Zoning: “IDZ AHOD” Infill Development Airport Hazard Overlay District with Uses for Single-Family Residential up to fifteen (15) Units per acre

Zoning Commission Hearing Date: October 20, 2015
