Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

The property is located within the Lavaca Neighborhood Plan and is designated as Mixed Use. The requested "IDZ" base zoning district is consistent with the adopted land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on surrounding properties in relation to this zoning request.

3. Suitability as Presently Zoned:

The existing "C-2" and “RM-4” zoning districts are appropriate for the subject property and surrounding areas. However, the proposed “IDZ” zoning will provide support for the development of multi-family uses under the City of San Antonio Brownfields Program and will not have any negative effects on the future development of adjacent properties.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective. The zoning request fulfills the goals of the Lavaca Neighborhood Plan, by improving the overall quality of housing while maintaining the historic character within the Lavaca Neighborhood.
