**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Midtown Neighborhood Plan, and is currently designated as Neighborhood Commercial in the future land use component of the plan. The requested "C" Light Commercial base zoning district is not consistent with the adopted land use designation. The applicant has applied for a Plan Amendment to change the designation to Neighborhood Commercial. Staff and Planning Commission recommend approval of the Plan Amendment.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current "RM-4" base zoning district is appropriate for the subject property's location. The adjacent property to the west is zoned "C-3" which works in conjunction with surrounding buildings in the zoning district. The request to rezone the subject property follows the current pattern of development

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property totals 0.1664 acres in size, which should reasonably accommodate the uses permitted in “C-1” Light Commercial Industrial District.

**7. Other Factors:**

The applicant proposes professional service/office building on the subject property. The adjacent property on Cincinnati Avenue is zoned “C-3” General Commercial District with existing uses similar to the proposed request.
