RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (8-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the North Sector Plan and is currently designated as Suburban Tier in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the current land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on surrounding properties.

3. Suitability as Presently Zoned:

The requested “C-2” district is appropriate for the subject property. The request for “C-2” will not have any negative effects on future development, but rather provide additional services to any existing and potential development. The site location is on a Primary Arterial Type “A” 120 feet thoroughfare.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property is 2.41 acres in size, which accommodates the proposed development with adequate space for parking.

7. Other Factors:

None.
