Property Details

Property History: The subject property was annexed in 1989 and original zoned Temporary “R-1” Single-Family Residence District. In 1989 subject property was rezoned to “B-3” Business District. Upon adoption of the 2001 Unified Development Code, the previous base zoning districts converted to “C-3” General Commercial District. In 2005 a portion of the subject property was rezoned to “C-3 GC-2” General Commercial 151 Gateway Corridor District. The subject property was platted in 1989 (volume 9518, page 89 of the Deed and Plat Records of Bexar County, Texas). The subject property is vacant and undeveloped.

Topography: The property does not include any abnormal physical features such as slope or inclusion in a flood plain.

Adjacent Base Zoning and Land Uses

Direction: North, East

Current Base Zoning: C-3

Current Land Uses: Vacant

Direction: South

Current Base Zoning: R-4, MF-25

Current Land Uses: Single-Family, Apartment

Direction: West

Current Base Zoning: ED

Current Land Uses: Vacant

Overlay and Special District Information: All surrounding properties carry the "AHOD" Airport Hazard Overlay District, due to their proximity to an airport or approach path. The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

The Highway 151 Gateway Corridor District (“GC-2”) provides site development standards for properties within 1,000 feet of Highway 151 between Highway 90 and the western City Limits. The standards primarily address building placement, landscaping, building materials and signage to promote a coordinated development scheme for the Corridor. A zoning review is performed by the Zoning Section of the Development Services Department.

ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation.

FISCAL IMPACT:

None.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (10-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the West/Southwest Sector Plan and is currently designated as General Urban Tier in the future land use component of the plan. The proposed “MF-25” base zoning district is consistent with the adopted land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring land in relation to this zoning change

request.

3. Suitability as Presently Zoned:

Both the existing “C-3” base zoning district and the proposed “MF-25” zoning district is appropriate for the subject property.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property is 17.421 acres in size, which is sufficient to accommodate the proposed Multi-Family subdivision development and parking requirements.

7. Other Factors:

None.
