Comprehensive Land Use Categories

Neighborhood Commercial: This category provides for smaller intensity commercial uses such as small-scale retail or offices, professional services, convenience retail, and shop-front retail that serve a market equivalent to a neighborhood. Neighborhood commercial uses should be located at the intersection of residential streets and arterials, and within walking distance of neighborhood residential areas, or along arterials where already established.

Example Zoning Districts:

NC, C-1, C-2P, O-1

Comprehensive Land Use Categories

Community Commercial: This category provides for medium intensity commercial uses that serve a market on the scale of a community comprised of two or more medium sized neighborhoods. Community commercial uses should be located in a nodal fashion, near the intersection of collectors and arterials, the intersection of two arterials, or along arterials where already established.

Example Zoning Districts:

NC, C-1, C-2P, C-2, O-1, O-2
