RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (8-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the North Sector Plan and is currently designated as Suburban Tier land use in the future land use component of the plan. The applicant proposes to change the zoning to “RM-4” Residential Mixed District which is consistent with the future land use classification.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

Surrounding lots are developed with single-family residences. The proposed zoning request is consistent with the surrounding land uses.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The proposed request meets the North Sector Plan’s objective of promoting a variety of housing types that will enhance quality housing within the community.

6. Size of Tract:

The subject property is 4.51 acres in size, which will adequately accommodate the uses permitted in “RM-4” Residential Mixed District and required parking.

7. Other Factors:

None.
