RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (8-0) recommend Approval, pending Plan Amendment

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the Eastern Triangle Community Plan, and is currently designated as High Density Residential & Parks and Open Space in the future land use component of the plan. The requested “C-3” General Commercial base zoning district is consistent not with the future land use designation. The applicant has requested a Plan Amendment to change the land use from High Density Residential & Parks and Open Space to Regional Commercial. Staff and Planning Commission have recommended approval.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The current “R-5” and “MF-25” base zoning district are appropriate for the subject property’s location. The requested zoning district of “C-3” is also an appropriate fit that supports the accommodation of growth within this area.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property totals 7.595 acres in size, which should reasonably accommodate the uses permitted in “C-3” General Commercial District.

7. Other Factors:

The applicant requests this zoning change to allow for expansion of the existing non-profit advocacy center for children to allow for a parking lot facility on the subject property.
