RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (10-0) recommend Approval, pending Plan Amendment.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the West/Southwest Sector Plan, and is currently designated as Rural Estate Tier in the future land use component of the plan. The requested "C-2" Commercial base zoning district is not consistent with the future land use designation. The applicant has requested a plan amendment to Suburban Tier and Staff and Planning Commission recommend approval.

2. Adverse Impacts on Neighboring Lands:

The proposed "C-2 CD" is a small scale commercial use, which would be less intrusive to the neighborhood boundary and characteristic

3. Suitability as Presently Zoned:

The current "C-3" base zoning district is not appropriate for the subject property's location. The intensity of allowed "C-3" uses are too large in scale for this area. The current "C-3" uses do not give an adequate buffer to the residential uses within close proximity and would be encroaching into the neighborhood, affecting the character and aesthetic of the neighborhood.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property totals 3.66 acres in size, and would accommodate uses permitted in the "C-2" Commercial District.

7. Other Factors:

The purpose of the Conditional Use is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but which may under the right set of circumstances and conditions be acceptable in certain specific locations.

The applicant proposes to use the subject property for an indoor gun range. The surrounding properties are zoned “C-3” General Commercial District and “R-20” Residential Single-Family District. The request to rezone the property with a Conditional Use will not significantly alter the land use pattern or character of the immediate area.
