**FISCAL IMPACT:**

None.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (10-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the San Antonio International Airport Vicinity Land Use Plan and is currently designated as Mixed Use in the future land use component of the plan. The requested "C-2" Commercial base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current "C-1" and "C-3" base zoning districts are appropriate for the subject property's location; however, the "R-4" is inconsistent with the surrounding commercial uses and is not an ideal location for residences.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective as the request is consistent with the plan.

**6. Size of Tract:**

The subject property totals 2.140 acres in size, which reasonably accommodates the uses permitted in “C-2” Commercial District.

**7. Other Factors:**

None.
