**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the San Antonio International Airport Vicinity Land Use Plan and is currently designated as Business Park in the land use component of the plan. The requested "C-2" base zoning district is consistent with the adopted land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff has found no evidence of likely adverse impacts on surrounding properties. The commercial use will be located adjacent to similar uses and is fronting a major thoroughfare.

**3. Suitability as Presently Zoned:**

The "C-2" Commercial District is appropriate for the subject property. The request for "C-2" will not have significant negative effects on future development, but rather provide additional services to the area. The site location is on a major thoroughfare. Finally the property is surrounded by similar uses.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

**5. Public Policy:**

As the request is consistent with the future land use plan, staff finds that the request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property is 0.547 acres in size, which accommodates the proposed development with adequate space for parking.

**7. Other Factors:**

None
