ISSUE:

The Carver is a thriving hub for educational, social and multicultural services, however due to increased costs associated with current methods of marketing it is difficult to reach audiences that would appreciate the programming that the Carver brings to San Antonio.

FISCAL IMPACT:

The grant application will be submitted with the intention of supporting and expanding the current marketing strategy with no demands to the monies allocated to the Carver by the City.

RECOMMENDATION:

Staff recommends approval of an Ordinance authorizing the submission of a grant application to PVBLIC Foundation by the City of San Antonio, through the Carver for the purpose of increasing the Carver's marketing and outreach efforts.
