**1. Consistency:**

The subject property is located within the West/Southwest Sector Plan and is currently designated as General Urban Tier in the future land use component of the plan. The requested “C-2 NA” base zoning district is consistent with the current land use designation.

The requested “C-2 NA” district is appropriate for the subject property. The request for “C-2 NA” will not have any negative effects on future development, but rather provide additional businesses to the area. The site location is on a Major Thoroughfare and the property is surrounded by similar commercial uses.

Staff has found no indication of likely adverse effects on the public health, safety or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.
