**Traffic Impact:** A Traffic Impact Analysis (TIA) is not required. The traffic generated by the proposed development does not exceed the threshold requirements.

**Parking Information:** Parking requirements are calculated individually by use and will be determined at the building permit stage.

**ISSUE:**

None.

**ALTERNATIVES:**

A denial of the request will result in the subject property retaining the current zoning district.

**FISCAL IMPACT:**

None.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval, pending Plan Amendment.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Kelly/South PUEBLO Community Plan, and is currently designated as “Neighborhood Commercial” in the future land use component of the plan. The requested “C-3NA” General Commercial Non-Alcoholic Sales base zoning district is not consistent with the future land use designation. The applicant has requested a Plan Amendment to Regional Commercial. Staff and Planning Commission recommend approval.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The applicant requests this plan amendment and associated zoning change for commercial uses on the subject property. The current “C-3” base zoning district is appropriate for the subject property’s location. The requested zoning of “C-3 NA” will ensure the future use of the land use will remain in alliance with the surrounding commercial and residential buildings in the surrounding area.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with land use goals and strategies of the Kelly/South San PUEBLO Community Plan objectives of improving the commercial corridors and the variety of goods, services, and employment available in the planning area in order to attract and support a mix of uses including professional offices, residences and a variety of retail shops that will meeting the residents’ daily needs and

bring vitality to the area.

**6. Size of Tract:**

The subject property totals 0.7518 acres in size, which should reasonably accommodate the uses permitted in “C-3NA” General Commercial Non-Alcoholic Sales District.

**7. Other Factors:**

None.
