**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (8-1) recommend Approval, with Conditions

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Huebner Leon Creek Community Plan and is currently designated as “Community Commercial” in the future land use component of the plan. The requested “C-2” Commercial base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

**3. Suitability as Presently Zoned:**

The current “C-2” base zoning district is appropriate for the subject property’s location. The requested conditional use for appliance display with outside storage of appliances is also appropriate and consistent with surrounding uses and zoning. The subject property is located on Bandera Road, a primary arterial with high traffic volumes, and is located adjacent to other Commercial zoning, making “C-2” a better suited zoning for the property.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The applicant proposes an appliance shop with outside storage of appliances on the subject property on the subject property. The properties that are located around the subject property include other commercial uses. The rezoning request does not appear to conflict with land use goals and strategies of the Huebner Leon Creek Community Plan by promoting new commercial and residential development that is respectful of the primarily residential character of the area.

**6. Size of Tract:**

The subject property totals 1.975 acres in size, which should reasonably accommodate the uses permitted in “C-

2” Commercial District.

**7. Other Factors:**

The purpose of the Conditional Use is to provide for certain uses which, because of their unique characteristics or potential impacts on adjacent land uses, are not generally permitted in certain zoning districts as a matter of right, but which may under the right set of circumstances and conditions be acceptable in certain specific locations.

Should the Conditional Use be approved, staff recommends the following conditions:

1. A six foot solid screen fence is required around the property that abuts residential property and /or land uses.
2. All on-site lighting shall be directed onto the site and point away from any surrounding residential uses.
3. Outdoor amplification speakers are not allowed during the hours of 7 p.m. and 7 a.m.
4. The storage of the appliances is confined to 1000sqft. in the back of the building of the property and must be screened with a solid screen fence.
5. Outdoor display is permitted in front of the building, but is limited to no more than 200 square feet.
