The services requested would preserve the original documents to include conservation and restoration treatments, deacidify encapsulation of sheets, and binding. Archival imaging and microfilm will be included as a security back-up for disaster recovery.

The Office of the City Clerk would focus on preserving historical volumes of vital records that date back to 1880.

This contract is within the scope of the SBEDA Program. However, due to lack of available firms and/or subcontracting opportunities, the Goal Setting Committee was unable to apply a SBEDA tool to this contract.

This contract is an exception to the Local Preference Program.

The Veteran-Owned Small Business Preference Program does not apply to goods/supplies contracts, so no preference was applied to this contract.

ALTERNATIVES:

Should this contract not be approved, the Office of the City Clerk will be unable to preserve, manage and digitize the City's archives and records.

FISCAL IMPACT:

Funding for this allocation is included in the FY2017 Adopted General Fund Budget for the Office of the City Clerk. All expenditures will be in accordance with the Department's adopted budget approved by City Council. These services are provided under the TXMAS-13-36010 per the City's Cooperative purchasing membership which provides for a volume discount.
