Property Details

Property History: The subject property was annexed into the City of San Antonio in 1985 and was previously zoned "Temporary R-1" Single-Family Residence District. A 1989 case (Ordinance 68793) re-zoned the western portion of the subject property as "B-3" Business District. Later, a 1997 case (Ordinance 85498) re-zoned the remaining portion of the property "R-A" Residence-Agriculture District. Upon adoption of the 2001 Unified Development Code, the previous base zoning districts converted to "C-3" General Commercial District and "NP-10" Neighborhood Preservation District. Finally a 2004 case (Ordinance 99878) rezoned the property to the current "PUD R-4" Planned Unit Development Residential Single-Family District.

Topography: The subject property runs through the 100 Year Flood Plain.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (8-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the United Southwest Community Plan, and is currently designated as Low Density Residential in the future land use component of the plan. The requested “R-5” Residential Single-Family base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The applicant proposes to develop single-family homes on 5,000 square foot lots. The request is consistent with the surrounding rural residential uses.

3. Suitability as Presently Zoned:

The current “R-4” base zoning district is appropriate for the subject property’s location; however, the “R-5” is also an appropriate use for the property. The change in zoning will allow the developer to remove the PUD designation and develop a conventional residential subdivision.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The rezoning request does not appear to conflict with any public policy objective, because the request is consistent with the plan.

6. Size of Tract:

The subject property totals 25.74 acres in size, which should reasonably accommodate the uses permitted in “R-5” Residential Single-Family District.

7. Other Factors:

The subject property is located within the Lackland Notification Area. In accordance with the signed Memorandum of Understanding between Joint Base San Antonio (JBSA) and the City of San Antonio, the Military was notified of the request.
