**ALTERNATIVES:**

A denial of the request will result in the subject property retaining the current base zoning district. The current “R-4” Residential Single-Family allows single-family dwellings (detached) with a minimum lot size of 4,000 square feet and a minimum lot width of 35 feet. Other permitted uses are foster family home and public/private schools.

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The property is located within the Monte Vista Neighborhood Plan. The Plan is to be used as a guide, therefore a finding of consistency is not required.

**2. Adverse Impacts on Neighboring Lands:**

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The applicant proposes to use the property for office purposes. The structure was built in 1940 as a commercial building and structurally has never been a residence. The property currently sits on the front and side property lines, and is likely a nonconforming structure. The applicant does not plan to demolish the historic structure and intends to continue using the space for light commercial uses and is adjacent to a property zoned “C-1”. Allowing the change to “C-1” will not alter the character of the neighborhood, but will give the property the correct zoning.

**3. Suitability as Presently Zoned:**

The current “R-4” base zoning district is appropriate for the subject property’s location. However, the structure is existing, and the proposed “C-1” is not an intense use, and will not negatively impact the urban fabric of the neighborhood.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The subject property totals 0.142 acres in size, which reasonably accommodates the uses permitted in “C-1” Light Commercial District.

**7. Other Factors:**

In accordance with the San Antonio City Unified Development Code, the Office of Historic Preservation reviews all demolition applications for any property located within the city limits of San Antonio. Approval of a zoning change does not imply approval of or take the place of such demolition review as directed by the UDC. To date, no application for demolition at this address to accommodate the proposed use has been submitted for review to the Office of Historic Preservation.
