SUBJECT:

Pre-K 4 SA Year 4 Independent Evaluation Report

SUMMARY:

This item includes a briefing of the Pre-K 4 SA Year 4 Independent Evaluation Report by Westat.

BACKGROUND INFORMATION:

Prior to the 2013-14 school year, the Board of Directors awarded a contract to Edvance Research to conduct an independent evaluation of the program. The contract was approved with an initial five-year term, and one three-year renewal option. Edvance Research went on to produce and release reports for years 1 and 2 of the program which the organization presented to the Board of Directors in 2014 and 2015. In December 2015, Westat, a leading research organization, acquired Edvance Research. Westat has continued to assess Pre-K 4 SA to fulfill the original contract. Westat completed the independent evaluation report for the 2016-17 school year and will present findings to the Board of Directors. The report includes descriptive study results and outcome study

results for the following categories.

- Descriptive Study: Program enrollment, child attendance, and classroom observations
- Outcome Study: Kindergarten readiness

Measures are identified with the Classroom Assessment Scoring System (CLASS), Pre-K 4 SA Classroom Observation Method (P-COM), and Teaching Strategies Gold (GOLD).
