**SUBJECT:**

Plan Amendment 17071  
(Associated Zoning Case Z2017236)

**SUMMARY:**

**Comprehensive Plan Component:** Greater Dellview Area Community Plan

**Plan Adoption Date:** September 29, 2005

**Current Land Use Category:** "Neighborhood Commercial"

**Proposed Land Use Category:** "Mixed Use"

**BACKGROUND INFORMATION:**

**Planning Commission Hearing Date:** November 13, 2017

**Case Manager:** Erica Greene, Planner

**Property Owner:** Gerardo and Florestela Santos

**Applicant:** Gerardo and Florestela Santos

**Representative:** Gerardo and Florestela Santos

**Location:** 802 Hermine Boulevard

**Legal Description:** 0.1490 acres out of NCB 9736

**Total Acreage:** 0.1490 acres

**Notices Mailed**

**Owners of Property within 200 feet:** 25

**Registered Neighborhood Associations within 200 feet:** Northmoor Neighborhood Association

**Applicable Agencies:** None

**Transportation**

**Thoroughfare:** Hermine Boulevard

**Existing Character:** Local Street

**Proposed Changes:** None

**Thoroughfare:** Blanco Road

**Existing Character:** Local Street

**Proposed Changes:** None

**Public Transit:**

VIA bus route #2 is within walking distance of the subject property.

**ISSUE:**

**Plan Adoption Date:** September 29, 2005

**Update History:** None

**Plan Goal:** Proactively promote best urban planning practices and ensure commercial environments that are clean, safe, attractive, compliant with city codes, and respectful of adjacent neighborhood residential uses.

**Comprehensive Land Use Categories**

**Neighborhood Commercial:** This category provides for smaller intensity commercial uses such as small-scale retail or offices, professional services, convenience retail, and shop front retail that serve a market equivalent to a neighborhood. Neighborhood commercial uses should be located at the intersection of residential streets and arterials, and within walking distance of neighborhood residential areas, or along arterials where already established. Examples of neighborhood commercial uses include flower shops, small restaurants, lawyer's offices, coffee shops, hairstylist or barbers shops, bookstores, copy service, dry cleaning, or convenience stores without gasoline. Refuse containers should be found behind the principal structure, and should be screened from adjacent residential uses. Appropriate buffering such as a buffer yard and/or landscaping should form a screen between this category and residential uses. Whenever possible, parking should be located in the back of the structure, monument signage is encouraged, and lighting should be directed onto the site, away from adjoining properties.

**Example Zoning Districts:**

NC, C-1, C-2P, O-1

**Comprehensive Land Use Categories**

**Mixed Use:** This category provides for a well-planned and integrated blend of higher density residential with retail, or professional services, office, entertainment, or other land uses. The integration of uses should occur within structures, as well as across the development site, with commercial uses situated primarily along the higher order roadways, and on the ground floor level of individual structures. Mixed Use is preferred along arterials, preferably in a nodal, or clustered, pattern with proximity to a major transit stop or node. When placed along a higher order roadway, the mixed use development should decrease in density with distance from the roadway. New mixed use developments on larger scale sites, such as with a “town center” concept, should be planned to integrate with existing, adjacent uses through well connected road and pedestrian networks. The building materials and architectural design of a mixed use development should stress quality, including façade and streetscape enhancements, open space, and landscaping.

**Example Zoning Districts:**

NC, C-1, C-2P, C-2, O-1, O-2, RM-4, RM-5, RM-6, MF-25, MF-33, MR-40, UD, MXD, TOD, IDZ

Low Density Residential

**Current Use**

Single-Family Residential

**FISCAL IMPACT:**

None.

**Proximity to Regional Center/Premium Transit Corridor**

Not within a Regional Center or within a half mile of a Premium Transit Corridor.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

The applicant requests this Plan Amendment and associated zoning change to utilize the existing structure as a boutique and a duplex. The subject property is a corner lot surrounded by both residential and commercial properties that will act as a buffer to the surrounding “Low Density Residential” and “Neighborhood Commercial” land uses. The proposed amendment to “Mixed Use” land use will not significantly alter the land use pattern or character of the immediate area as the proposed change supports the Greater Dellview Area Community Plan that proactively promote best urban planning practices and ensure commercial environments that are clean, safe, attractive, compliant with city codes, and respectful of adjacent neighborhood residential uses. The proposed amendment to “Mixed Use” is an appropriate fit that supports the accommodation of growth within this area.

**ALTERNATIVES:**

1. Recommend denial of the proposed amendment to the Greater Dellview Area Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.

**ZONING COMMISSION SUPPLEMENTAL INFORMATION: Z2017236**

Current Zoning: "R-4 AHOD" Residential Single-Family Airport Hazard Overlay District

Proposed Zoning: "IDZ AHOD" Infill Development Zone Airport Hazard Overlay District with uses Permitted in "C-2" Commercial District and a duplex

Zoning Commission Hearing Date: November 21, 2017
