ISSUE:

Comprehensive Plan

Comprehensive Plan Component: San Antonio International Airport Vicinity Plan

Plan Adoption Date: May 20, 2010

Update History: None

Plan Goals: Encourage commercial development that respects the integrity of existing residential development

Comprehensive Land Use Categories

Land Use Category: Low Density Residential

Description of Land Use Category: Single family homes and accessory dwellings on a single lot, ideally within walking distance of schools and neighborhood commercial uses

Certain lower impact community oriented uses such as churches, parks or community centers are appropriate

Permitted Zoning Districts: R-3, R-4, R-5, R-6, R-20, NP-8, NP-10, NP-15, RP

Land Use Category: Community Commercial

Description of Land Use Category: Medium intensity uses that serve two or more neighborhoods. Should be located at nodes on arterials at major intersections or where an existing commercial area has been established. A majority of the ground floor facade should be composed of windows. Off-street parking and loading areas adjacent to residential uses should have buffer landscaping, lighting and signage controls. Examples are cafes, offices, restaurants, beauty parlors, neighborhood groceries or markets, shoe repair shops and medical clinic

Proximity to Regional Center/Premium Transit Corridor

The property is not located within a Regional Center or Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis & Recommendation: Staff recommends Approval.

The property owner proposes to use the property for an adult daycare facility. The subject property is within close proximity to a secondary arterial and the intersection of Perrin Beitel and Loop 410. The change to “Community Commercial” would not drastically alter the character of the neighborhood due to the existing “Community Commercial” land use and development along Perrin Beitel and Swans Landing.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the San Antonio International Airport Vicinity Plan, as presented above.

2. Make an alternate recommendation.
3. Continue to a future date.
